

F'REAL B9

FOODSERVICE BLENDER

TURNKEY & HASSLE FREE

The f'real Blend 'n Serve B9 combines practicality and innovation to deliver an elevated experience whether you are using our branded cups or our customizable unbranded cups.

ONE TOUCH CREATION OF:

- Shakes
- Smoothies
- Freakshakes
- Bowls
- Frappés
- Lemonades
- Cocktails

LET'S SHAKE THINGS UP.

Features:

Efficient, High-Power Motor

- Stronger, more precise brushless motor for consistent product results
- Able to blend product in at an expanded temperature range, between -21°C to -15°C

Integrated Drip Tray

- Easy to wipe clean, never misplace

Wi-Fi or Cellular Connectivity

- Keeps software up to date and reduces service time
- Allows monitoring and diagnosing firmware/OS remotely

Vertical water reservoir

- Gravity based connection easily locks in place
- Thoughtfully designed tank allows it to be removed, filled, and replaced one-handed

Smart Blending Technology

- Digital screen with intuitive user menus.
- Custom blend thickness so operators can develop the perfect consistency for their beverages (adjustable water shot)
- Mix In Blend Profile - Staged blending to accommodate adding inclusions (syrops, purees, candy, cookies, etc.) and preserving piece identity (mouthfeel, texture, chunky pieces)

Warranty: 1 year warranty
